ARABY NORTH FEATURES

Araby North homes feature spacious, open floor plans, three to four bedrooms and up to two-and-a-half baths. Three-car garages are included (per plan.)

Elliott Homes is committed to understanding the way people live in our homes. Each and every floor plan is designed for ease and convenience, with smooth traffic flow from one room to another.

Elliott Homes remains in the forefront with energy-efficient components and building materials, surpassing the code requirements many builders use as a guideline. Using the Home Energy Rating Score (HERS) as a measuring point, Elliott Homes saves significantly on utility costs. By building homes with a tighter seal and including features, materials and appliances that reduce energy waste, Elliott Homes enables buyers to purchase the home of tomorrow . . . today.
