GRANITE VISTA VALENCIA SERIES FEATURES

Granite Vista offers homeowners all the conveniences of a master-planned community in a rural setting, close to the University of Phoenix Stadium and the Westgate Entertainment District. Valencia Series homes feature spacious, open floor plans, three to four bedrooms and up to three baths. Three- or four-car garages are included (per plan.)

Because Elliott Homes is committed to understanding the way people live in our homes, each and every floor plan is designed for ease and convenience, with smooth traffic flow from one room to another.

Elliott Homes remains in the forefront with energy-efficient components and building materials, surpassing the code requirements many builders use as a guideline. Using the Home Energy Rating Score (HERS) as a measuring point, Elliott Homes saves significantly on utility costs. By building homes with a tighter seal and including features, materials and appliances that reduce energy waste, Elliott Homes enables buyers to purchase the home of tomorrow ... today.
