Unit 3 Phase 3
 1/28/2021

Square footage figures are approximate. Specific home features may vary. Elliott Homes reserves the right to substitute or change equipment, materials, appliances, features and amenities without prior notice. See sales representative for floor plan variations, options and other information.

LAS BARRANCAS FEATURES

Las Barrancas homes feature spacious, open floor plans, three to four bedrooms and up to three-and-a-half baths. Three- or four-car garages are included (per plan.)

Elliott Homes is committed to understanding the way people live in our homes. Each and every floor plan is designed for ease and convenience, with smooth traffic flow from one room to another.

Elliott Homes remains in the forefront with energy-efficient components and building materials, surpassing the code requirements many builders use as a guideline. Using the Home Energy Rating Score (HERS) as a measuring point, Elliott Homes saves significantly on utility costs. By building homes with a tighter seal and including features, materials and appliances that reduce energy waste, Elliott Homes enables buyers to purchase the home of tomorrow ... today.
