 Roseville Electric Best Energy Efficient Homes can reduce energy costs significantly compared to a standard code-built home

 Professional Interior Design by Kerrie Kelly

 Another Elliott Advantage energy-saving, earth-saving and / or custom construction feature

 ENERGY STAR qualified products are more energy efficient without sacrificing performance

 The U.S. Environmental Protection Agency (EPA) WaterSense products save water without sacrificing performance or quality

Although all features may not apply to all plans due to design configurations and architectural styling, a wealth of luxury features are included in every Elliott Home. Please consult your Sales Representative for a complete options list and to determine if a particular feature is offered in the home you desire. Special features and decorator items in model homes are not included (wallpaper, mirrors, wall treatments, furniture and special wall finishing).
